ACTIVITY REPORT

NAME OF THE ACTIVITY: Awareness Programme on Cyber Crime

DATE AND TIME: 1 July 2026, 11:00 AM to 12:00 PM

CHIEF GUEST AND GUESTS

The programme was graced by **Chief Guest** Sri Venugopal Reddy, DSP. The distinguished guests included CI Niranjan Reddy, SI Madhusudhan Reddy, and CI Ravi from the Crime Branch.

FACULTY INCLUDED

Principal, faculty members from all departments, organizing committee members, and students.

CONTENT / MODE OF DELIVERY

The programme was organized as an institutional awareness session on cyber crime. It was conducted through a formal gathering that included faculty participation, student presence, and informative addresses highlighting the importance of digital safety, cyber hygiene, and responsible online behaviour.

BRIEF DESCRIPTION

MNR Dental College and Hospital organized an awareness programme on cybercrime to educate students and staff about the growing risks associated with digital platforms and online communication. The event aimed to create awareness regarding common forms of cybercrime such as phishing, identity theft, online fraud, hacking, cyber stalking, and misuse of social media.

The session emphasized the importance of safe internet practices, strong passwords, cautious sharing of personal information, verification of online content, and immediate reporting of suspicious activity to the appropriate authorities. The programme was conducted in the presence of the Principal, faculty members, and students, and it served as an important platform to sensitize participants about the legal, social, and financial consequences of cybercrime.

The addresses delivered during the programme highlighted the need for digital responsibility, vigilance, and preventive measures in daily online activities. The event also encouraged students

to protect themselves and others from cyber threats by adopting secure online habits and staying informed about evolving cyber risks.

The programme created an opportunity for active student participation and discussion on practical ways to avoid becoming victims of cybercrime. It reinforced the idea that cyber safety is an essential life skill in the present digital era.

Through this awareness initiative, the institution underscored its commitment to not only academic and clinical excellence but also the overall safety and well-being of its students and staff. The programme concluded successfully with enthusiastic participation from all attendees and was documented through photographs for institutional record and reporting purposes.
