8. Provide the list of funds by Central/ State Government- UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.

| Institution/Departmen t/Faculty | Scheme | Funding Agency | Year of award with duration | Amount |
|------------------------------------|--------|----------------|--------------------------------|--------|
| NIL | NIL | NIL | 2016 0 | 0 |
| NIL | NIL | NIL | 2017 0 | 0 |

| 9. Whether composition of IQAC as per latest NAAC guidelines: | Yes |
|--------------------------------------------------------------------------------------------------------------|------------------|
| Upload latest notification of formation of IQAC | <u>View File</u> |
| 10. Number of IQAC meetings held during the year : | 4 |
| The minutes of IQAC meeting and compliances to the decisions have been uploaded on the institutional website | Yes |
| Upload the minutes of meeting and action taken report | <u>View File</u> |
| | |

12. Significant contributions made by IQAC during the current year(maximum five bullets)

• Provides student support facilities for effective learning with their participation in house and extracurricular activities. • Constantly motivating the research activities of faculty and the students of the institution for research collaborations with other universities. • Plays an important role in encouraging participation of national, regional conferences and various guest lectures. • Collection and analysis of feedback from all the stake holders on quality related institutional process. • Discussed to constitute a committee to coordinate the process of ISO Certification , and AISHE.

<u>View File</u>

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

| Plan of Action | Achivements/Outcomes |
|---------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Effective implementation of value added courses across all departments. | All departments designed and implemented the value added courses and Students are encouraged to enrol for the courses such as Microsoft office, vocabulary training for English language, professional ethics, hepatitis B vaccination , infection control and biomedical waste management. |
| Infrastructure augmentation of physical facilities. | Improvement and maintenance of physical facilities of the Institution are made such as penta head microscope ,CBCT. |
| Enhancement of academic and health care service atmosphere of students | Encouragement of students for social and community services by conducting academic events such as seminars, workshops and guest lectures.Health care services like conducting various camps and adopting villages for treatment |
| Celebrating national days and health days | Celebration of National days and health days by all the departments such as Independence day,Republic day, Haritha haram, Swachh Bharath etc as per plan of action. |
| Implementation of research activities | Motivating the research activities of faculty and students for the institution with research collaboration of various institutions |

| Name of Statutory Body | Meeting Date |
| GOVERNING COUNCIL | 29-May-2017 |
| 15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ? | No |
| 16. Whether institutional data submitted to AISHE: | Yes |
| Year of Submission | 2017 |
| Date of Submission | 18-Jan-2017 |
| 17. Does the Institution have Management Information System ? | Yes |
| If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words) | MNR institutions believe in upgrading the infrastructure not only at the infrastructure level but also in regard to the safe and easy administrating techniques. All the up gradations acquired are developed considering all the stake holders including students, faculty and patients as well. In regard to students campus medicine was introduced to monitor the attendance and messaging the parents. Campus medicine software was introduced for student management which can effectively track the student's attendance daily, captured through biometrics and an integrated message is sent to the parents about their ward's attendance as a daily report. Campus medicine establishes a common and continuous platform between stakeholders: Management, Faculty, Parents, and Students. Institution: A Software SEQRITE is introduced in the institution and Library with an everevolving threat of ransomware, the Seqrite security suite offers cutting edge protection to network and connected devices. Seqrite software focus on data security and provide with the right tools to ensure data protection for a secured enterprise. From detection scans to asset management, Seqrite endpoint security |

ensures complete network protection to address cyber threats. Patient: A software CIFTDENTO is introduced which is maintained in all the departments to enter the patient's details and the treatment provided for that respective patient. With parallel workflows, the back office can view clinical information in a patient's chart at the same time that the front office is scheduling that patient's next visit-with no waiting and no disruption. The case records of the patients which are entered in electronic case sheets in real time and can be retrieved at any point. Library: SOUL software is in place for ensuring effective computerization of library function. The software is compliant to international standards for bibliographic formats, networking and circulation protocols. Departmental e libraries are maintained for the easy access and benefit of students. An e learning platform is set up where in the teachers form a committee and constantly put an effort to update the e learning material available for the students. Orthodontics: FACAD is in use by orthodontics department for orthodontic tracing, cephalometric analysis and visual diagnostic imaging, as well as for treatment planning with soft tissue profile prediction for both orthodontics and maxillofacial surgery. Visual overview: (image thumbnails) with management of a patient's images, tracings, treatment plans, and superimpositions. Documentation: Complete User's Guide, Tutorial for getting started, well documented cephalometric analyses, release notes. Oral medicine: SIDEXIS software is being used for OPG. SIDEXIS provides a number of important functions for patient acquisition, image management, analysis, diagnosis, patient communication and a simple transfer of images. The most commonly used tools are particularly visible and easy to find allowing you to work intuitively and on demand software for CBCT in oral medicine and radiology department. Oral pathology: JENOPTIK image analysis is used by the department of oral pathology microbiology for cytomorphometric analysis. Whatsapp: Separate whatsapp groups are created

yearwise for the students for effective communication and mentoring. All the mentors create a whats app group separately for better interaction with their respective mentees, regularly.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

MNR Dental College and Hospital provides purposeful as well as proactive philosophy of educational guidelines as stipulated by the Dental council of India. Students are instilled with a love of learning and a desire to go on learning which is attuned to their different developing abilities. Every department in collaboration with the curriculum committee plans out the academic calendar taking into consideration of the important dates and events to be organized. The academic calendar comprises of teaching schedule for theory and practical/ clinical sessions along with teacher allotment and also gives information on the weekly and internal assessment examination to be held as per the university norms. A list of public holidays and vacations was also mentioned. All the academic lectures and practicals completed by the staff are noted in a teaching diary. A monthly report covering the lectures taken by the staff and the attendance report of the students was submitted to the head of the institution. Students are trained through various specialty cells of the institution to imbibe knowledge on corresponding topics and excel in professionalism. The academic calendar also mentions the various committee meetings including IQAC meetings to be held for the respective year. The respective committee chairpersons submit their plan of action to the curriculum committee to conduct various events during the year. During this academic year the college affiliation has been changed from NTR university to KNRUHS. All domains of learning objectives were implemented according to KNRUHS norms to maintain the uniform standards at undergraduate and postgraduate levels. Internal departmental meetings were conducted to plan the syllabus distribution among the staff and teacher topic allotment of the classes is prepared and submitted to the curriculum committee. Department heads and guides prepare the schedule and topic distribution for PG seminars and journal clubs. PG thesis and library dissertation submission schedule was also prepared internally by the department heads. Institutional Ethical Committee assigns a date for the submission and evaluation of the PG thesis synopsis. Certificate courses and value-added programs were also conducted for the students by the institution to enrich their curriculum. All the new students were oriented to the college at the beginning of the year and a handbook was issued giving details about the syllabus according to university guidelines. The faculty members assess the knowledge level of students through well-scheduled internal exams. Students have well-equipped library facilities with an ample number of books, journals, and e-learning resources. Apart from academics students were also encouraged to take part and organize the annual sports and cultural activities. The students were also involved in many activities related to environment-conscious, social issues to create awareness. Interdepartmental meetings were conducted regularly, giving a platform for sharing knowledge among the staff and students. Teachers were encouraged to conduct enrichment programs for the benefit of the students. Several camps were organized benefiting the communities and also students. The feedback was also collected from students, parents, alumni, and faculty members during the academic year and the report

1.4 – Feedback System

1.4.1 - Whether structured feedback received from all the stakeholders.

| Students | Yes |
|-----------|-----|
| Teachers | Yes |
| Employers | Yes |
| Alumni | Yes |
| Parents | Yes |

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

Feedback plays a prominent role in ensuring the quality of higher education. Feedback is proved to be an important part of the learning cycle and it allows students to take an active role in improving their whole learning experience. The feedback is also important for the institution management as a student learning outcome is linked to overall institutional effectiveness. The feedback committee at MNR Dental college collects annual feedback on the curriculum from all the stakeholders of the institution includes students, staff, parents, alumni, and employers. The method of collecting feedback includes framing of questions that were related to the overall BDS and MDS curriculum which addressed both the quality and the quantity by the feedback committee of the institution, followed by distribution of questionnaires among all the stakeholders to conduct the survey. Parents were also involved in the feedback collection as it would make them help their ward in their shortcomings. Apart from parents it is also very important to collect feedback from the alumni as they can suggest the improvements needed in the curriculum from their day-today clinical applications of the procedures they learned at the college level. After the survey, all the forms were collected and analyzed for the responses, and results were drawn up which were in the form of bar diagrams or pie diagrams indicating the percentage of each type of response. After discussion with the committee, the results were shared with the principal, IQAC chairperson, and the management of the institution. Necessary action plans were implemented by the management based on the feedback report to ensure

improvement of the curricular aspects like interacting with the KNRUHS university and insisting the departments of the institution on improving those aspects which got less positive responses in the feedback

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

| 2 | 2.1.1 – Demand Ratio o | during the year | | | |

| 2.3.2 – Students me | entoring system ava | ailable in the institut | ion? Give details. (| maximum 500 word | ds) | | | | |

Mentoring of students is an essential prime feature to render equitable prompt service to all our students having

varied background. Student-mentorship program is student centric works to enhance students' academic performance, attendance, minimise student drop-out rates, to identify and understand the status of slow learners, and encourage the advanced learners. The importance of integrating the system for enhancing students' performance is an organised approach adopted by approval of the entire teaching faculty. The system has been promptly and effectively put into practice to resolve various student issues. With a wide variation in the student population in regard to educational and economic background, the system promises to provide a better understanding of individual students and bring out their highest potential. Students are categorised according to their core year wise subjects. They are divided into groups depending on the number of students. Each group is assigned a teacher-mentor who would perform mentoring duties. A Mentoring Format with guidelines is prepared in an organised way to ensure uniformity. a. Mentors maintain student's bio data, parents contact and update the mentoring Register with student's attendance subject wise for theory classes and posting as well as performance of students in class tests, internal examinations. b. After collecting all necessary information, Mentors are expected to offer thorough guidance and counselling students monthly once. c. In special cases parents are called for counselling/special meetings with the Principal at the suggestion of the Mentor. d. If a student is identified as having weakness in particular subject, it is the duty of the Mentor to apprise the concerned subject teacher. Though the system has only been implemented in the last few years, significant improvement in the teacher-student relationship is seen. The system has been useful in identifying slow learners and advanced learners. Based on the requirement deduced through a careful examination of each Mentor's report, the College has organised several Remedial Classes in the identified topics/subjects for slow learners. The faculty's mentor mentee system provides guidance to students on academic matters and fosters constructive professional relationship between students and staff. Student mentoring system is very organized and highly functional in our MNR Dental College. Number of students in the institution are 580 for the 2016 - 17 academic year, Undergraduates-422, Interns-86, Postgraduates-72. The full time teaching faculty, students are assigned a specific Mentor. Each Mentor has around 10 mentees under them to be guided and mentored a through the academic year. Each Mentor observes their each particular mentee's academic performance (overall discipline, grasping ability, weak points, strength, and punctuality). Monthly tests and internal examinations are conducted regularly, based on their cumulative performance further measures are taken. Mentor reports are being maintained systematically by each Mentor, Mentees are graded on a scale of below/above average/average depending on their exam marks and orals (viva) performance. Subject wise slow learners are being identified, and specific remedial measures are being taken to encourage their performance. Advanced learners are encouraged to consistently perform well in academics .

| 2.5.2 – Reforms init | ated on Continuous Intern | al Evaluation(CIE) syst | em at the institutional le | evel (250 words) | | | | | |

The MNR DENTAL COLLEGE AND HOSPITAL Institute is affiliated to KALOJI NARAYANA RAO University, Warangal, and Telangana and follows the Examination pattern of the university. For undergraduate programs, the institute conducts three internal tests of 70 marks each. The average marks of three theory internals are considered as final internal marks. Year-end theory examination is for 70 marks which are conducted by the university and 90 marks for practical along with viva voice 20 marks which is added to theory. For the post-graduate program, the institute conducts 4 papers of internal-exams of 75 marks each as per university norms, and the year-end theory examination in 4 papers each of 75 marks which are conducted by the university. Practical and viva voice are conducted for 300 marks. As per the guidelines, the following reforms have been carried out effectively conducting Continuous Internal Evaluation: ? Monitoring the attendance of the students for the Examination ? Scheduling of Internal Examination, Seating arrangements, hall invigilators listed for every examination. ? Preparing the question paper for the internal examination in the prescribed pattern based on Knowledge level using revised Bloom's taxonomy. ? Scrutiny of the prepared question paper is carried out by HOD/ Subject expert to ensure quality of the Question paper. ? Internal Assessment has to be carried out within the stipulated time. ? Result review meetings are conducted with result analysis and the remedial actions for further improvements are arrived after discussion with faculty, HOD and Principal. ? Upload of assessment marks in university web portal and subsequently communicated to parents. Performance of the students in Internal Assessment is used for Faculties to identify slow and advanced learners in their respective subjects. Slow Learners are encouraged to improve their performance in future by counselling. Counselling Sessions are used to sort out the personal issues, academic and non-academic problem. For effective implementation of Continuous Internal Evaluation (CIE) system at the institutional level, the institute also conducts weekly tests and performance based improvement test. The solution scripts are given back to the students after evaluation for his or her information, providing sufficient transparency and accountability. Internal marks are shown to students in conjunction with their answer scripts by the teacher concerned enabling them to possess access to the evaluated answer scripts before the marks are forwarded to the examination section. It also promotes the scholar to participate in mini projects, model exhibition, programming skill competitions, mega projects, technical paper presentation, workshop, and seminar. CIE Components also includes MCQs, Quiz competition, home assignments, Lab Exercises and Practical. The College encourages and guides students to participate in national level competitions organized by other Colleges and Universities. The College gives facility to participate in competitive examinations and better studies. The participation and performance of scholars in sports, NSS, and other extracurricular and cultural activates is additionally given weightage. The feedback system is provided to the students for giving the feedback on all fronts. It organizes parents and guardians meet to possess a communication after each examination.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

MNR DENTAL COLLEGE AND HOSPITAL frames academic calendar of events as per the guidelines of DCI and KALOJI NARAYANA RAO University of Health Sciences. Institute adheres to the national public holidays released by the University and prepares Teaching lesson planner and Master Time tables according to number of available working days. Weekly Assessments, project works, clinical discussions, student centric modalities, Problem based learning, scientific programs such as CDE and workshops are listed to ensure academic success and timely execution of learning. Webinars are conducted monthly to improve clinical knowledge of the students. Clinical posting examinations are conducted to know the overall performance before final assessment. Internal examinations are conducted for periodic evaluation along with University Final subject wise theoretical and practical examinations. Monthly review meeting are conducted by the principal with the entire faculty to check progress of teaching, evaluation of internal assessment. Remedial measures are taken other co circular, extracurricular, extension activities such as participation in sports events, Educational tours as a part of MOU to other universities, Special Day events, Awareness programs and rallies are adhered.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

| Assigned Budget on academic facilities | Expenditure incurred on maintenance of academic facilities | Assigned budget on physical facilities | Expenditure incurredon maintenance of physical facilites |
|-------------------------------------------|------------------------------------------------------------|----------------------------------------|----------------------------------------------------------------|
| 70 | 64.48 | 70 | 68.68 |

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

MNR DENTAL COLLEGE has a set of established systems and procedures for maintaining and utilizing physical, academic and support facilities laboratory, library, sports facilities, computers, classrooms etc. A committee and Assoc: Dean for administration monitors and maintains repair of the infrastructure facilities, services and equipments. The college has an infrastructure committee for maintenance and upkeep of infrastructure. Two trained dental chair mechanics, three qualified electricians, two plumbers and one engineer from the maintenance team. A fully functioning workshop for maintenance of vehicles is present and a full time mechanic is appointed. Major repairs and servicing is done in company authorized outlets. The civil maintenance is handled by the civil engineer, Srinivasa Raju. He is in charge of the building development and maintenance, water and sewage, carpentry. Each division is headed by a supervisor. There are in-house plumber, electrician. The Greenery of the campus is well maintained by full time gardeners. Laboratory major and minor equipments are maintained by the lab in-charges and in-charge faculty from teaching department who report to the respective department Heads. Heads will consult the concerned authority to get the necessary person to maintain, service or replace the equipment. Classrooms, staff rooms, seminar halls are cleaned and maintained regularly by non-teaching staff assigned for each floor. Dustbins are placed in every floor. Generator, air conditioners, CCTV cameras and Water purifiers maintenance. Apart from contract workers, the college has trained in - house electricians and plumbers. Computers, soft wares UPS systems are maintained by IT team, who takes care of smooth running of automation, up-gradation and maintenance of computers, college websites, biometric services, hardware maintenance, networking including internet connectivity and procurement of hardware software. Antivirus software (SEQRITE Software License Certificate), firewall and authentication schemes are employed to protect the computer from unauthorized access. Transport facility: There are adequate buses plying covering all the routes for the use of staff and students. The Emergency Van (Ambulance) is available in the college 24×7 hours. Adequate number of drivers and helpers are appointed and the whole system is maintained by Mr Kishore, the transport manager. All the electrical maintenance is handled by 3 qualified in-house electricians. The library is headed by librarian who supervises both U.G. and P.G. library. He is supported by the assistant librarian, supporting staff for Journal and Reference section. Physical Education: One staff is in charge of all the sport activities of students and staff and the record of each is maintained by him and his team. Attenders, Security and housekeeping are supervised by the Supervisor, Mr Santosh. Surveillance Cameras are installed for security reasons and in class rooms for monitoring purposes. Every department maintains a stock register for consumables and proper inspection is done and verification of stock takes place at the end of every year.

5.3.2 – Activity of Student Council & amp; representation of students on academic & amp; administrative bodies/committees of the institution (maximum 500 words)

The Student council is the core of any institution. It embodies the strength to enhance academic, cultural, social and sports activities amongst students. It works towards benefiting the students by making an environmentally friendly campus and also, enhancing the relationship with the institution. The student's council under the able guidance of the Principal, came forward with many initiatives. The student's council has been part of all the committees instituted in the college. As an initial activity the council echoed the voice of the nation towards making our campus clean and friendly. The Swatch Bharat initiative was seeded in the college and was projected to carry on for further years. Likewise, the NSS (National Service Scheme) has always been active and conducted awareness in the surrounding villages on having a clean sanitization and indeed a clean environment. Students conducted awareness on the causes of oral cancer and the harmful effect of consuming tobacco and related carcinogens. Awareness programmers like NO TOBACCO DAY at Kasala village, Doulatabad was conducted on 31st May with an aim of providing dental health

education and counseling regarding tobacco quitting in these rural areas. Student's council actively participated and supported the outreach programmers organized by the institution. They encouraged students to be part of camps and help in oral screening. As a part of it, Oral screening and treatment were done for the NCC 31 battalion cadets. The camps were organized with the perspective to help the underprivileged patients in rural areas. Major camps were conducted in Medak district for police personnel. Likewise, a camp was conducted at Jail Kandi. The council has always upheld the special day celebrations in college. Various Rallies like WORLD HEALTH DAY, VOTERS DAY, World AIDS day and National Education day were conducted with the students and staff of MNR Dental College. For sports activities, various events like cricket matches, photography competitions and carom board games were organized for the students.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Alumni association is the strong connecting link between the alumni, the institution and the current students. The association consolidates one with the active participation of the alma mater. The alumni association at MNR Dental College is a formally registered association with number being 569 of 2015 under the address, MNR Dental College and Hospital Alumni Association, 7-50/4 D 202/ MNR Nagar/ Fasalwadi/ Sangareddy/ Medak/ Telangana/ India. The association fortifies en-rolment of each student at the end of the course with a nominal registration fee. The alumni associa-tion committee shall comprise the Principal, faculties and the alumni. Regular alumni meets are con-ducted instilling and strengthening the relationship of the alumni with the

institution. An "Alumni Meet 2016" was conducted on 15th October 2016 at MNR Dental College. The alumni interacted with the students and provided necessary career guidance to the interns and students. The alumni association also interacted with the management on various academic and non academic activities. During the interactive session they shared work experiences in Telangana and abroad, how to start up clinics and the importance of social media for improving clinical practice. Alumni also interacted with students and gave career guidance regarding higher education and placements. Alumni answered the question of students regarding preparations for PG exam and other placements.

5.4.2 - No. of enrolled Alumni:

90

5.4.3 – Alumni contribution during the year (in Rupees) :

141000

5.4.4 - Meetings/activities organized by Alumni Association :

1 "Alumni Meet 2016" was conducted on 15th October 2016 at MNR Dental College

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The institution practices the culture of decentralization and participative discussion. As a part of decentralized governance system, the designations of Associate Deans are being introduced to monitor the different aspects like Academics, examinations, Student Affairs, Faculty, Human resources for the improvisation of academics and administration. The management conducts regular meetings amongst the management members, principal, faculty and the students in implementing efficient plans. All the departments are requested to present their annual action plan at the beginning of every year. The matters at the department level are discussed by the HOD with the faculty team in consultation with the principal. This gives the faculty an enormous sense of belonging in the institution and brings the best in them. The organization structure clearly depicts the communication channels and decision makings. The HOD's conducts regular meetings of the departments to review the functioning of the department in varied pre - identified parameters. Monthly meeting is conducted to address the issues obtained through patient feedback system. The associate deans conduct the meetings of the concerned committees to assess the functioning. The associate deans are reviewed on one to one with reference to their performance indicators by the chairperson of IQAC. The principal is the chairperson of the IQAC. In this process of decentralization good number of manpower is represented. All the faculty members are placed in the committees. Thus the entire faculty actively participated in the management of the college. Faculty members are given representation in various committees and allowed to conduct various programs to showcase their abilities. They are encouraged to develop leadership skills by being in charge of various academic, co-curricular, extracurricular activities , SHE and WE committee. They are given authority to conduct and for organizing seminars/workshops/conferences. Library Committee entrusted with the upgradation of library resources and all look into the allied matters. The Examination wing functions and coordinates the examination and evaluation process which follows the examination policies and procedures outlined by the Institution. Student's Council ensures the involvement of student representation in institutional matters and the student representative in IQAC also encourages the participative culture of the institution.. Anti-

ragging Committee ensures a ragging free campus by conducting Anti Ragging

awareness classes and seminars in every academic year. Anti-Ragging squads conducting surprise raids in hostels. CDE Committee (CDE) is the charge of conducting the CDE programs as a part of improvisation of academic update.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

| Strategy Type | Details |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Examination and Evaluation | Assessment of students is based on continuous performance Assessment (CPA) internal assessments and final examinations (External) according to the NTR University Guidelines. Different methods of student assessment include weekly tests, Quiz, Seminar, MCQs, short questions and long answer type questions. The guidelines of NTR University are strictly followed in regards to attendance both in theory and practical classes as well as for clinical postings. Internals and externals are also conducted in accordance with NTR University guidelines.Under NTRUHS all the faculty will receive the online sheets for paper evaluation, which is facilitated at the campus. |
| Curriculum Development | The curriculum has been developed according to the Dental Council of India recommendations while keeping in mind the Institutional Goals and objectives. Since it's an affiliated college of Kaloji Narayana Rao University of Health Sciences (KNRUHS), the curriculum will be followed is in accordance with them. Regular meetings will be held by the Principal and Academic Dean along with Heads of different departments as well as the academic in-charges to upgrade the curriculum, examination pattern and teaching methodology. Case based learning, Value Added programs and CDE's will be regularly conducted. Regular feedbacks will be taken from students. |
| Research and Development | • Independent and dedicated research department is established in the campus and all the staff are encouraged to do research activities. Institutional Ethical Committee continuously monitors to provide quality research, which aims to contribute to the dental fraternity and population at large with the |

| | research outcome. IQAC suggested management to provide monetary incentives and awards to the faculty for research publications, for chapter and textbook publications and for paper/poster presentation in conferences and to provide financial support to the faculty for attending |
|---------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

| | <pre>is a A) Editor in Chief Journal of Dentistry B) Receiver For 1) International Journal of Applied Basic Medical Health Research 2) National Journal of Medical Sciences 3) Horizon Research 4) Annals of Diagnostic Medical Research</pre> |
| Library, ICT and Physical Infrastructure / Instrumentation | IQAC chairperson and committee members decided to purchase additional textbooks, reference book, CD and videos as per the requirement of department heads. With continued infrastructure upgradation, management has planned to acquire a high quality CBCT equipment and Pentahead microscope. MNR Central Library is automated. The Central Library is |
| | equipped with the CCTV cameras. Individual departmental library is facilitated. The College has good library. It has 3438 text Books, 956 Reference books, 39 e-books, 66 printed Journals, 377 e- journals and 233 CD and videos. Internet facility is provided for the entire faculty. Separate designated area is allotted for U.G. students, P.G. students and |

| | for the faculty. 4 smart class rooms and 5 Labs, 5 seminar halls and one virtual class rooms are available for ICT. There is provision of recreation like yoga room, gym, playground and auditorium for all the students and staff. |
|--------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Human Resource Management | Human resources committee aims at the upliftment of the individual by ensuring an enabling environment to develop capabilities and to optimize performance. MNR Educational Trust Society and HR department maintains the centralized records confidentially. HR department continuously monitors and upgrades the facilities for the benefit of teaching and nonteaching staff, students and patients. The College has a Grievance Cell and a system to redress the complaints of the teaching and nonteaching staff and the students. |
| Industry Interaction / Collaboration | • TQAC Chairman planned to enhance the MOUS and collaborative projects with Indian institute of technology, center for cellular and molecular biology and IKP Knowledge Park and other institutions on varied research-based projects to encouraging our students to become innovators and entrepreneurs in related fields. Decided to adopt old age homes, primary health centres and villages. IQAC Chairman planned to conduct Extension Activities that sensitizes students to social issues and holistic development. The management and faculty at MNR DENTAL COLLEGE in collaboration with MNR Medical hospital are actively involved in free treatment for cleft lip and palate cases. • Provided services as a part of JABAR {Jawahar bala Arogya Raksha}.In MEDHAK district we have treated 600 students from 6 mandals. • In association with Microsoft screening camps for oral hygiene awareness has been conducted in all kastooriba primary schools for girls in all mandals in GAJWEL district. • MNR Dental College is in MOU with the following institutions • St Anthony high school, SANGAREDDY • St Anthony junior college, SANGAREDDY • Govt. Degree College, JOGIPET • Govt. schools of MEDAK district • Social welfare hostel SANGAREDDY • Adopted villages KALAGEOOR, and CHINTHALPALLY |

| E-governace area | Details |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Student Admission and Support | The whole admission process of the students is in accordance with guidelines prescribed by DCI and is done by KNR University. Students scoring prescribed marks in the qualifying examination that is Intermediate or equivalent and securir rank in NEET examination are admitted by university strictly following guidelines of Government and DCI. Similar mechanism is also followed ir relation to Postgraduate admissions. Admissions into these courses are also done by KNR University, as per norms DCI. LCD projectors interfaced with computers have been installed in all the Lecture Halls/Class Rooms to undertake Computer- Aided Teaching/Learning as well as for presentations. |
| Examination | Assessment of students is based on continuous performance Assessment (CPA internal assessments and final examinations (External) according to the NTR University Guidelines. Different methods of assessment the students include weekly tests, Quiz, Seminar, etc., the question paper for weekly test is composed of MCQs short answer type questions and long answer type. The guidelines of NTR Universit are strictly followed in regards to attendance both in theory and practica classes as well as for clinical postings. Internals are also conducte in accordance with NTR University guidelines. Under NTRUHS all the faculty will receive the online sheet for paper evaluation, which is facilitated at the campus. |
| Planning and Development | System of E-Governance in various forms is being used in day to day administration. Before the commencemen of every academic year, the institute conduct meeting with various stakeholders and advisors and focus i areas of thrust and plan for the development in ares of patient care student progress, research, etc. Plan to use more and more e-applications an used in teaching, patients care and administrations per as possible. All the websites are maintained / updated regularly. |

| Administration | Institute has created a common, continuous communication and Data sharing platform among stakeholders. CAMPUS MEDICINE is in use for regular monitoring of the attendance of students. All Hospital related activities are automated with ciftdento software. |
|----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Finance and Accounts | The Institute has an internal audit mechanism in place and they perform periodic internal audits in various functions within the system. Primarily they review and advance payments, bills, whether vouchers are duly authenticated or not etc., as part of regular audits. In addition to that, we have a statutory audit in place which will conduct by the external agency once in a year. Primarily they review the financial performance and internal controls within the organization. All the online payments are governed by means of the payment gateway i.e. HDFC Bank Pay Online. |

international awards. 6. All the departments are provided with desktop computer systems. 7. Aprons for teaching faculty. 8. The institution had free WIFI enabled campus for faculty. 9. Free Transport facility for faculty members. 10. The senior faculty doctors are felicitated on occasions like doctor's day, teacher's day, annual day and Founder's Day. 11. Teacher's day is celebrated to acknowledge the services of the teaching faculty and is encouraged by giving awards as well as increments/incentives to the staff. 12. Sports, curricular and extracurricular competitions are held for staff members during annual day and Founder's Day. Trophy and cash prizes are awarded to them by the chairmen. 13. The women staff is empowered by celebrating the Women's day. 14. The institution has ecofriendly environment with least air pollution. 15. Providing First Aid in case of any emergency. 16. Providing subsidized medical facilities to staff and their dependents. 17. Providing subsidized canteen facilities. 18. Providing sports and recreational activities to staff for relaxation.

6.4 – Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly (with in 100 words each)

Institution conducts internal and external financial audits regularly. The institution monitors the effective use of financial resources through the system of external and internal audit. Internal audit is conducted by the internal financial committee of the institution. The committee thoroughly verifies the income and expenditure details and the compliance report of internal audit is submitted to the management of the institution through the principal. External audit is conducted once in every year by statutory Auditor. If any discrepancy is found, the same is brought to the notice of the principal. The accounts of the college are audited by statutory Auditor regularly as per the government rules. The auditor ensures that all payments are duly authorized after the audit, the report is sent to the management for review. Any queries, in the process of audit would be attended immediately along with the supporting documents within the prescribed time limits. The audited statement is duly signed by the authorities of the management and statutory auditor. The list of the expenditures with the signature of the authorities is sent to all the department HOD's to file for future reference for any inspection purpose.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

7.1.2 - Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

The environmental committee in the campus is chaired by Dr. Vijay Kumar. Y. The appointed faculty members and student members represent the advisory committee and work for the improvement of environmental condition of the campus. The committee meets once in every 45 days and discuss the issues and projects related to it. Any issues related to this committee are brought to the notice of the associate dean DR. HARSHA. Initiatives taken by the institution to make the campus eco-friendly are 1. Swacch Bharat movement 2. Haritha haram 3. Initiatives to minimize pollution 4. Smoking free campus 5. Environment awareness programmes 6. Waste management 7. Use of solar energy Swacch Bharat movement- Keeping the spirit of Swacch Bharat mission, programme was conducted and awareness was created among the students to keep the campus clean. A group of students gathered and helped in cleaning the campus. Haritha Haram- Saplings were planted as an important part of supporting the ecosystem and reducing the global warming Efforts to minimize the pollution - Using Battery operated car within the campus - Restricted entry of automobiles inside the campus - Use of Solar panels Percentage of power requirement of the college met by the renewable energy sources 30(153kva) of power requirement is met by solar

energy. Solar energy panels are mounted in the campus • To produce clean energy
To reduce the campus operating costs • To reduce the carbon emission Smoking free campus - The entire campus is smoking free Environment day- A rally and a skit was conducted in Sangareddy to create awareness and encourage action for the protection of our environment Waste management - Different kinds of waste which are generated in college and hospital are segregated and disposed according to the protocols. Computers, printers and other equipment discarded by the college and in reparable condition were donated to the charitable trusts

and the rest were sold to vendors for recycling

| Job Responsibilities and Duties of PRINCIPAL | 15/04/2016 | 1. The Principal should oversee and monitor the administration of the academic programs and general administration of the Institute to ensure efficiency and effectiveness in the overall administrative tasks and assignments. 2. The Principal should plan the budgetary provisions and go through the financial audited statements of the Institute. 3. The Principal has authority to take all the necessary actions as and when |

required to maintain discipline in the Institute. 4. The Principal should form various college level committees which are necessary for the development of the Institute. 5. The Principal should encourage Faculty Members to update their knowledge by attending seminars/wor kshops/conference. 6. The Principal should encourage Faculty Members to author text books and publish research papers in reputed International / Indian Journals/Magazines and Periodicals. 7. The Principal should provide leadership, direction and co-ordination within the Institute. 8. The Principal should periodically review this Code of Conduct. 9. As it deems necessary to ensure that this Code of Conduct conforms to applicable Laws. 10. Any of our other policies revealed through monitoring, auditing, and reporting systems are eliminated or corrected. 11. The Principal is responsible for the development of academic programs of the Institute. 12. The Principal should convene meetings of any of the authorities, bodies or committees, as and when required. 13. The Principal should ensure that directions issued by the management are strictly complied with or, as the case may be, implemented. 14. The Principal should ensure that quality in education and academic services is maintained for continuous improvement and turn the

| | students into better |
| | individuals and |
| | responsible citizens of |
| | the country. 15. The |
| | Principal should ensure |
| | that the long-term and |
| | short-term development |
| | plans of the Institute in |
| | their academic programs |
| | are duly processed and |
| | implemented through |
| | relevant authorities, |
| | bodies, committees and |
| | its members. 16. The |
| | Principal should forward |
| | confidential report of |
| | all staff members of the |
| | Institute and submit it |
| | to the Management. 17. |
| | The Principal shall be |
| | responsible for |
| | submission of an annual |
| | report on the progress |
| | achieved in different |
| | developmental and |
| | collaborative programs to |
| | the various committees |
| | and Management. |

7.1.7 - Initiatives taken by the institution to make the campus eco-friendly (at least five)

| 1. Swachh Bharat movement | | |
|--------------------------------------|--|--|
| 2. Haritha haram | | |
| 3. Initiatives to minimize pollution | | |
| 4. Smoking free campus | | |
| 5. Environment awareness programmes | | |

6. Waste management

7. Use of solar energy

8. Green audit

9. Environment audit

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best practice 1 Title of the Practice: Merit Rewards for Students Goal ? To encourage students to reach greater heights in their academics. ? To inculcate healthy competitive environment among students ? To create motivation to students for their excellence. The Context: ? Students will show interest and raise their participation in the everyday classroom tasks, responsibilities, and learning. ? Students will be motivated to be more productive because they create a feeling of pride and achievement. ? Student's self-confidence will be increased which will help them in their future professional and daily life performances ? Student's quality of performance in academics will be increased ? Student's will be more diligent towards academics with the reward system Practice: ? For Under-graduates, the top three from each year are selected based on their academic excellence and are awarded with memento and Certificate of Appreciation on Annual Day ? For Post-graduates, University toppers and students who secured distinction in their PG Exam are felicitated with cash prize, medal and Certificate of Appreciation Evidence of success: ? Student's performance in academics has increased ? Number of Post-graduates from various specialities getting distinctions has increased ? Student's performances in state level and national level conferences has increased Problem Encountered and Resources required: ? Students feeling pressure in their minds with increase in competition ? Students level of understanding the subject is not analysed and is overlooked Best practice 2 Title of the Practice: Conducting Mega Camps and Satellite centers Goal: ? Mega dental camps are organised to educate people about oral hygiene and to implement changes to have healthy oral cavity. ? To encourage people to be proactive about their oral health and to have a habit of regular oral check-up ? To render service to larger communities through mega dental camps. ? Satellite centres in rural communities are aimed for delivering dental treatment for unprivileged people ? To seek positive attitude in village people towards oral health care and to inculcate progressive changes in rural communities through the satellite centres The Context: ? Mega dental camps are aimed to bring awareness among deprived population ? Mega camps are organized to give oral health care services to large communities ? Organizing major screening and treatment camps will cover major population screening ? Main aim to reach unfortunate people with free dental check-up ? Enlightening people regarding severity of problem and referring for further speciality-oriented treatment before the problem turns serious. ? To make dental services available for unprivileged people through satellite centres. Practice: ? Major screening and treatment camp in MNR Dental College Hospital including the camps for police personnel of Medak District. Over 600 police personnel were treated as a part of the camp ? A major camp at district jail Kandi in 2016 was conducted under the able support of Smt. Kanaka Durga and the Jail Superintendent Shri. ? A mega dental camp in ICRISAT was organised where close to 160 scientists were treated who have appreciated the efforts taken by MNR management. ? We have done screening and treatment to the NCC 31 battalion cadets in 2016 which was already in practice since two years. This was carried out with co-operation of Colonel Mr.M.S Wirk and Major Tikku. They have applauded the services rendered to the cadets and requested to continue the services in future too. ? NSS Camp was organized at GITAM University and MEGA Camp at MRF, Sadhashivapeta was organized. ? MNR Dental College has kept Satellite centres at Hathnoora and Veerabadrapuram, Sangareddy

provide free dental treatments to the poor population in remote areas. ? Daily dental care services are provided to the people and awareness about oral hygiene care methods and regular dental check-up importance was given to the people ? Oral hygiene techniques such as periodontal scaling and providing tooth pastes, mouth washes and tooth extractions, ART were done. ? Referring patients to dental hospital for advanced dental treatment procedures. Evidence of success: ? Increase in awareness and consciousness towards dental treatment. ? Improvement in oral hygiene habits among rural population ? Increase in awareness of preventive treatments among younger generation. ? Less privileged people are benefited with the satellite centres organized in villages Problem Encountered and Resources required: ? At the Mega camp sites not, all treatments can be carried out to people ? The required facilities such as always having continuous electric supply and water supply in the villages for dental treatments is a challenging situation ? Public transport service from the villages to the college for advanced dental treatments is compromised

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

https://mnrdch.mnrindia.org/assets/images/best_practices_2016_2017.pdf

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

MNR Dental College is first in the state to have Cone-beam computed tomography (CBCT) as advanced imaging modality. It has high clinical applications in the field of dentistry. MNR Institute is first in the Telangana state to have CBCT as a three-dimensional radiographic imaging method in college. Even in the Sangareddy district, MNR Dental college was first to have CBCT among all corporate clinics providing advanced imaging facility to all the nearby localities. Radiographic imaging method is the basic confirmative diagnostic method. For accurate diagnosis three-dimensional (3D) imaging of the hard tissues is required. This can be achieved by CBCT (Cone beam Computed Tomography). It is an imaging modality, which can provide a three-Dimensional representation of the maxillofacial structures with minimal distortion and reduced radiation hazards. CBCT is capable of providing sub-millimetre resolution (2 line pair/mm) images of higher diagnostic quality, with shorter scanning times (~60 s). Radiation exposure dose from CBCT is 10 times less than from conventional CT scans during maxillofacial exposure (68 µSv compared with 600 µSv of conventional CT) and also it has got great dimensional accuracy (only about 2 magnification). MNR Institute has Cone-beam computed tomography (CBCT) for accurate, three-dimensional (3D) imaging of hard tissue structures. CBCT of CRANEX 3D X SOREDEX was bought in the year 2016. High end equipment policy was maintained providing the guidelines for the personnel on usage of CBCT. Demo to the students on how to use CBCT was given. Regular classes on how to take CBCT with clinical tips and how to read and interpret CBCT are conducted for accurate diagnosis. CBCT has gained increased acceptance as a 3D imaging modality offering an alternative to CT especially in the maxillofacial area. It has wide applications in the field of dentistry for diagnosing pathologies, visualizing internal anatomies three-dimensionally and for accurate treatment planning. CBCT technology is increasingly accessible in dental practice. It hugely expands the fields for diagnosis and treatment possibilities for the patients.

8. Future Plans of Actions for Next Academic Year

1. Increase effective implementation of value added and enrichment courses across all departments and to encourage enrolment of students. 2. To Initiate activities regarding gender equity, environment, human values and professional ethics. 3. To implement community oriented, innovative research activities for the providing 4. competent and acceptable Dental professionals with knowledgeable skills. 5. To enhance the Simulation teaching through patients' models are implemented in the preclinical laboratory. 6. To conduct Regular teacher training workshop for the faculty by the Dental Education Unit. 7. Minimizing use of paper through computerization and implementation of CIS system 8. To strengthen the research potential with enhancement of collaboration with various universities/institutions.
