ACTIVITY REPORT – 26

WORLD BLOOD DONORS DAY - 14th June 2018

Name of the Activity: World Blood Donor Day-2019

Name of the Institution: MNR Dental College and Hospital

Resource Person: Dr. Y.Vijay Kumar

Description: Blood Donation Camp was conducted on 14th June in our college. The theme of Blood Donation Day 2019 was "Blood Connect us r all". Blood is an important resource, both for planned treatments and urgent interventions. It can help patients suffering from life-threatening conditions live longer and with a higher quality of life, and supports complex medical and surgical procedures. Blood is also vital for treating the wounded during emergencies of all kinds (natural disasters, accidents, armed conflicts, etc.) and has an essential, life-saving role in maternal and parental care. Its objective is to save the life of individuals who are in emergency and raise awareness for the need of safe blood. The event serves to thank voluntary, unpaid blood donors for their life-saving gifts of blood and also to raise awareness of the need for regular blood donations to ensure that all individuals and communities have access to affordable and timely supplies of safe and quality-assured blood and blood products, as an integral part of universal health coverage and a key component of effective health systems.

Attendance: 6 PGs, 1 staff and 21 interns donated blood in donation camp.

Conclusion: Being a human, we must help other humans and other humans for the humanity. The blood you donate gives someone another chance at life.
