PROGRAM REPORT

Program Name: "Seminar on importance of biomedical waste management"

Date of activity: 23/2/2020

Venue: Lecture Hall 2

Organized by: MNRDCH

Resource person: Dr. Balaji Rathod, Secretary IDA

Number of participants: 68

Objective of the program

The main objective of the seminar is to make everyone aware and protect our environment from pollution and contamination and repair and reduce the damage caused by pollution. Irresponsibly disposed of waste can lead to various diseases and can harm people. **Contents Delivered**

- Separation (segregation)
- Identification (different color-coded bags)
- Handling (collection, measurement, storage, transport)
- Treatment (off-site and on-site)
- Waste reduction (by shredding)
- Disposal.

Outcome of the program

The seminar concentrated on the good clinical practice by learning basics of how to handle the biomedical waste and how the biomedical waste should be managed. The seminar

Dear Dr. Ramesh sir,

Greetings from MNR Educational Trust

Sub: Request for Student exchange program for MNR Dental Students

We hope this mail finds you in good health.

The purpose for this mail correspondence is to provide us with suitable dates for student exchange programme to MNR dental students and Nursing students for studying the health care delivery system and observing the latest technology in your ecosystem.

Kindly let us know the pre-requisites for planning the program as per our collaborative agreement.

I would also bring to your kind notice that Dr. Deepika Associate Professor From Dental College would be coordinating the activities from now on and she would be the Faculty in charge for all the future correspondences.

Do let me know if you need any further information in this regard.

Thank you again for your continuous support and cooperation.
