### ACTIVITY REPORT

#### WORKSHOP ON THE LATEST DENTAL EQUIPMENT AND TECHNOLOGY

Date: March 1, 2019

Location: MNR Dental College

Facilitator: Staff from Metronics, an American Medical Device Company

#### **Introduction:**

On March 1, 2019, a highly informative and engaging workshop on the latest dental equipment and technology was held at MNR Dental College. The workshop was conducted by experts from Metronics, a renowned American medical device company specializing in electronic healthcare innovations. The event aimed to provide dental professionals and students with valuable insights into the cutting-edge advancements in dental equipment and technology.

#### **Workshop Agenda:**

The workshop was structured as follows:

##### **1. Registration and Welcome:**

The event commenced at 8:30 AM with the registration of participants, which included dental professionals, faculty members, and students from MNR Dental College.

##### **2. Opening Remarks:**

Dr. Ambuj Chaturvedi, a prominent healthcare innovator, delivered the opening remarks. He highlighted the significance of staying updated with the latest advancements in dental technology and encouraged all participants to actively engage in the workshop.

##### **3. Presentation on Medical Devices by Metronics:**

The core of the workshop consisted of a comprehensive presentation by Metronics staff. They demonstrated and elaborated on various dental equipment and technology innovations, including:

**Digital Imaging Technology:** This session covered the latest advancements in dental imaging, such as 3D imaging, intraoral scanners, and digital radiography. The staff explained how these technologies enhance diagnosis and treatment planning.

**Innovations in Dental Lasers:** Metronics experts showcased the benefits of laser technology in various dental procedures, from soft tissue management to cavity preparation.

**Advancements in Dental Implantology:** Participants gained insights into the latest implantology techniques and how technology is improving the success rate of dental implants.

**Smart Dental Equipment:** The workshop also highlighted intelligent dental devices and how they streamline workflows, improve patient experience, and enhance overall dental practice efficiency.

#### **4. Hands-on Sessions:**

Following the presentations, participants had the opportunity to engage in hands-on sessions with the latest dental equipment and technology provided by Metronics. This interactive experience allowed attendees to gain practical experience and familiarize themselves with the equipment's functionality.

#### **5. Q&A and Networking:**

The workshop concluded with an interactive question-and-answer session where participants could seek clarification and discuss specific applications of the presented technologies. This was followed by a networking lunch, facilitating valuable connections among dental professionals, faculty, and students.

#### **Conclusion:**

The workshop on the latest dental equipment and technology conducted by Metronics at MNR Dental College was a resounding success. It provided attendees with comprehensive knowledge about cutting-edge dental innovations and offered a platform for hands-on experience and networking. The event was not only informative but also instrumental in fostering collaboration and knowledge sharing among the dental community.

### ACTIVITY REPORT

#### ACADEMIC COLLABORATION WITH PUSAN UNIVERSITY

**Date :** May 23, 2018, to May 31, 2018

**Visitor:** Dr. Pavan Kumar .K, Professor, Department of Conservative Dentistry & Endodontics

#### **Introduction:**

This report documents the academic and research collaboration between our institution and Pusan University in South Korea. Dr. Pavan Kumar.K, a Professor in the Department of Conservative Dentistry & Endodontics, embarked on a visit to Pusan University from May 23, 2018, to May 31, 2018, to strengthen academic ties and engage in collaborative research endeavors.

#### **Objectives of the Visit:**

The primary objectives of Dr. Pavan Kumar's visit to Pusan University were as follows:

*Establishing academic connections:* To initiate discussions and formalize agreements for collaborative academic and research activities between our institution and Pusan University.

*Research collaboration:* To identify areas of mutual interest for research collaboration, exchange research ideas, and plan joint research projects.

*Faculty and student exchange:* To explore opportunities for faculty and student exchange programs, fostering international exposure and learning.

#### **Activities and Achievements:**

During the visit, Dr. Pavan Kumar actively engaged in a series of activities and accomplished the following:

### **1. Meetings with Pusan University Faculty:**

Dr. Pavan Kumar met with faculty members from Pusan University, particularly from the Department of Dentistry, to discuss potential areas of collaboration. These meetings led to the identification of shared research interests and the development of a roadmap for collaborative projects.

### **2. Research Workshops and Seminars:**

Dr. Pavan Kumar participated in research workshops and seminars organized by Pusan University. These events provided an opportunity to showcase our institution's research expertise and identify potential partners for joint research initiatives.

### **3. Collaborative Research Proposal:**

As a result of the discussions held during the visit, a collaborative research proposal was drafted. This proposal outlines the objectives, scope, and responsibilities of both institutions in jointly conducting research in the field of Conservative Dentistry & Endodontics. The proposal is currently under review by both parties.

### **4. Exploration of Exchange Programs:**

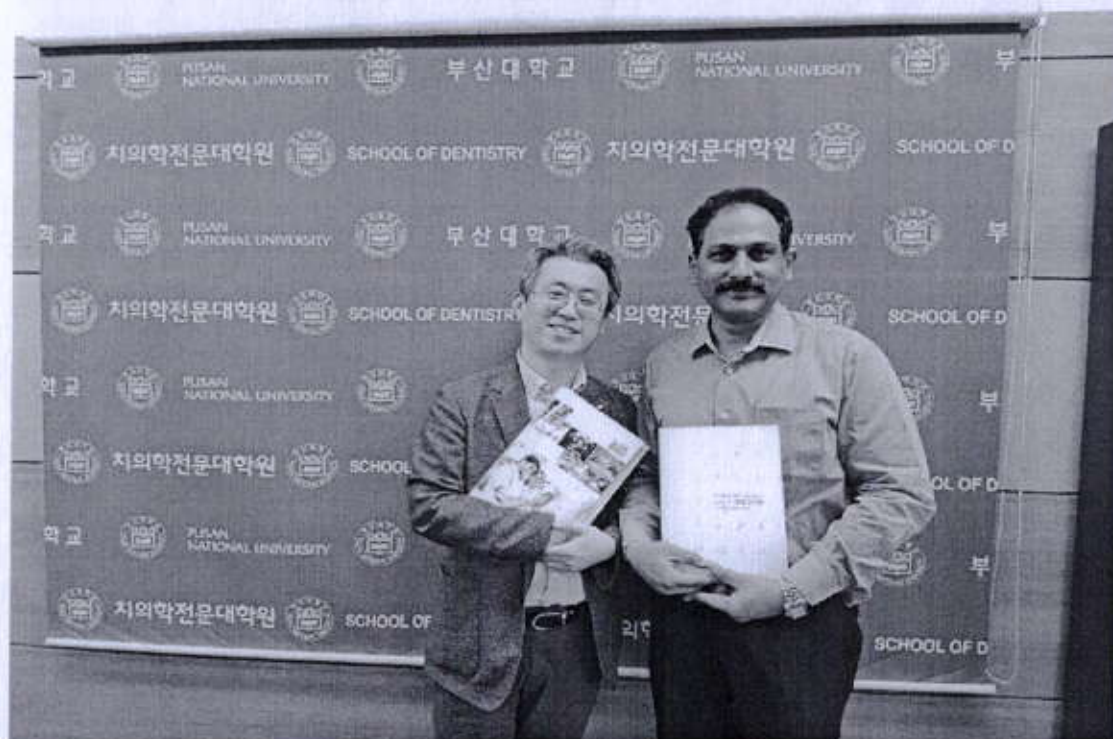

Dr. Pavan Kumar explored the possibility of faculty and student exchange programs between our institution and Pusan University. These programs aim to promote cultural exchange, broaden academic horizons, and foster a global perspective among faculty and students.

### **Conclusion:**

The visit of Dr. Pavan Kumar.K to Pusan University was a significant step towards establishing a productive academic and research collaboration between our institution and Pusan University. The visit resulted in fruitful discussions, the initiation of a joint research proposal, and the exploration of exchange programs, all of which are expected to strengthen our academic ties and contribute to the advancement of knowledge in the field of Conservative Dentistry & Endodontics.

We express our gratitude to Pusan University for their warm welcome and collaborative spirit during Dr. Pavan Kumar's visit. We look forward to the successful implementation of our collaborative projects and the continued growth of our academic partnership.
