PERMISSION FOR SETUP OF DENTAL SERVICES IN RURAL AREAS

Respected Sir,

MNR Dental College & Hospital have the Recognition from Dental Council of India (New Delhi) and is affiliated to Dr.NTR University of Health Sciences (Vijayawada). The college has an intake of 100 BDS Students per year and an intake of 24 MDS Students per year in Eight Dental Special Departments. The BDS internees and P.G students have to do the rural postings during their course of study as per the norms of University.

It is requested, you to kindly grant permission for the setting up of Dental services and to conduct O.P at PHC's of Rural Areas in the District. MNR Dental College & Hospital will serve the rural mass with Good Oral Health Care and essential Dental services. If required, a Dental Chair also may be positioned with all the required equipment and staff. Initially we had identified HATNURA & SADASHIVPET as potential areas. They will be up scaled as and when required and also the teams may be repositioned in different locations as per need of the hour. This will invariably help the village people and prevent the spread of Oral Diseases thus improving the general health status of the rural population. This is in the interest of public welfare to improve the Standards of Oral Hygiene.

For your kind co - operation and support,

Thanking you,
Yours Faithfully

No.DE-130-2011/ B-6552

Dated the 9 February, 2012

To
✓ The Principal of all the
Dental Colleges in the country

Subject: Creation of Setup of Satellite Clinics in remote areas for Internship compulsory requirement of the DCI Revised BDS Course (3rd Amendment) Regulations, 2011.

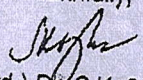

Sir/Madam,

I am directed to refer to the subject cited above and to say that the revision of the 5 year BDS curriculum to the 4+1 year duration was done with the clear intention of providing adequate clinical exposure to the students during their internship period. As a part of this proposal, all dental institutions were required to setup Satellite Clinics to support a rural outreach dental program and facilitate the clinical exposure of the Interns.

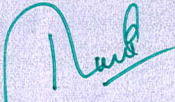

2. The relevant section of the DCI Revised BDS Course (3rd Amendment) Regulation, 2011 is reproduced hereunder for your ready reference:-

- "11. **Rural Services**
In the rural services, the student will have to participate in-
1. Community Health Monitoring programmes and services which include Preventive, Diagnostic and corrective procedures
 2. To create educational awareness about dental hygiene and diseases.
 3. Conduction of Oral Health Education Programme at -
 - (a) School Setting
 - (b) Community Setting - 5
 - (c) Adult Education Programme - 5
 4. Compulsory setup of satellite clinics in remote areas - 5
 5. Lectures to create awareness and education in public forums about the harmful effects of tobacco consumption and the predisposition to oral cancer - two Lecturers per student." - 1

3. With the above, I am directed to request you to kindly take the necessary action on the above provisions as prescribed in the DCI Revised BDS Course (3rd Amendment) Regulations, 2011 and furnish the details to the DCI about the Satellite Clinics Setup by your Institution in the remote areas.

Yours faithfully,
