### TIME MANAGEMENT (2020-21)

#### ACTIVITY REPORT

**Event:** Time management

**Date:** 10<sup>th</sup> February 2021

**Venue:** LH # 2, MNR Dental College & Hospital.

**Time:** 11:00 AM to 12:00PM

**Resource person:** Mr. Aravind, Professor of Oral Surgery & expert in Dental Photography, HKE dental college, Gulbarga, Karnataka.

**Faculty Included:** Principal, faculties from all departments and students

**Participants:** 45 students

**Brief details:**

The program started with welcome note to the guest speaker Mr. Aravind, by Our Principal, Dr. Ravindra SV. Mr. Aravind spoke that Time has a wonderful way of showing us what really matters. This important life lesson is only learnt through experiences and by loss of time too. But, such an important aspect of life is unfolded to our students by Mr. Aravind, a personal coach who emphasises on the value of TIME.

He told students the value of time, discussed how the students use time, what they like to do with the free time they get and any better ideas they have to use time. This session was very enlightening because it just opened the eyes of many students on how they are misusing time. Time once gone can never be bought back by anything, if students understand this then the future is safe and sound. The session was ended by a thank you note from Dr. Ramesh, HOD of oral surgery dept.
