Brief Description:

Dental equipment is the work horse of dental practice. Without it Dentists, dental nurses and other dental professionals would be unable to carry out their work tasks. A good dental chair plays a major role in dental treatment. Dental professionals spend hours leaning over each day for work when they are on the job.

So a good chair selection is of utmost importance for running a dental clinic successfully. One such Career counseling programme was conducted by confident dental equipment. The name of the speaker was Yeshwanth Kumar, product manager of confident dental equipment at Bengaluru.

In this session he educated the students of MNR Dental College about the importance of selection of proper dental chair in Dental Clinics. The programme started by a welcome speech by DR. Pranitha. All the students who attended the programme came to know about proper usage of dental chair.

Conclusion:

This conclave was beneficial to students on how to up skill themselves for proper usage of dental chair.

ACTIVITY REPORT

Event: Essay writing competition

Date: 10th September -2019

Time: 11.00 - 1:00 pm

Venue: Lecture hall 3, MNR Dental College and Hospital.

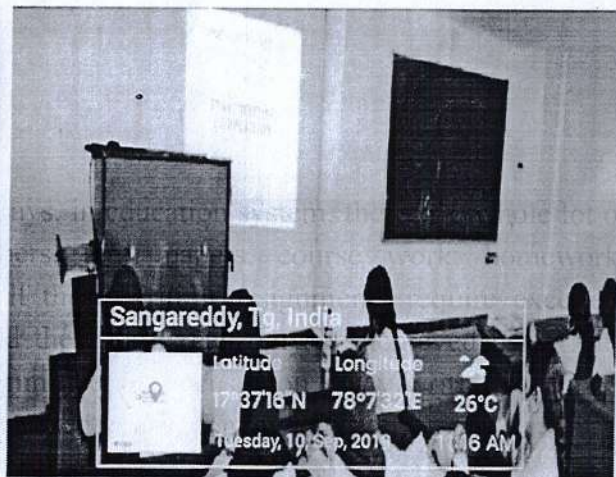

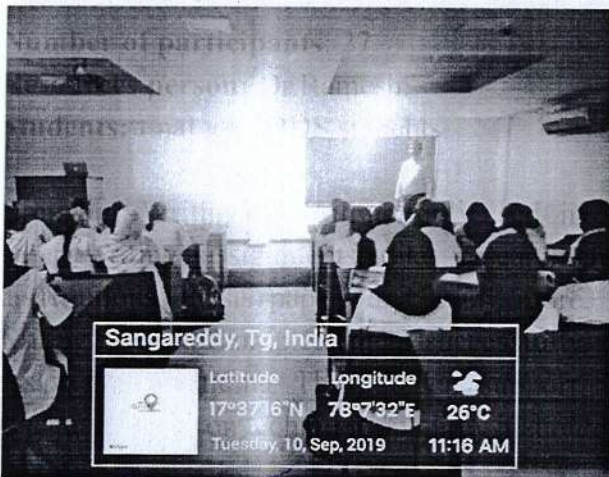

Number of participants: 27

Resources person: Dr.Ramesh.

Students: final year BDS students

Program: Writing is a skill not only used in essays, in education system, there is a whole lot of other writing assignments, like research papers, term papers, course work, homework, dissertations, thesis papers and many more. All these writing assignments require excellent writing skills to complete them successfully and these skills can only be achieved by writing essays and practicing. Thus, student support committee has focused on essay writings to make student to focus on technique and how it should be used to best convey ideas.

If students learn about style and how to write essays early on in their academic careers, they will find it much easier to write papers throughout university.
