FACULTY DEVELOPMENT PROGRAMME

ORAL HEALTH AWARENESS

ACTIVITY REPORT

NAME OF THE PROGRAMME: ORAL HEALTH AWARENESS

CONDUCTED ON: 06-02-2020

SPEAKER: DR.SUMAN

JUSTIFICATION: Personal hygiene are the applications that people perform, to protect their health and keep their life healthy. Personal hygiene are the behaviours that must be practiced in daily life, starting from morning to sleep time to protect our health. In order to establish oral hygiene as an important prophylactic measure influencing successful protection of oral health of the whole population, it is necessary to inform as many people as possible about oral hygiene effectiveness and its necessity in preventing oral and dental diseases. Cigarette smoking harms nearly every organ of the body, causes many diseases, and reduces the health of smokers in general. Quitting smoking lowers your risk for smoking-related diseases and can add years to your life.
