ACTIVITY REPORT- 18

WORLD BREAST FEEDING WEEK

Title: World Breast Feeding Week

Objective: To Deliver the importance of breast feeding.

Location: Women's Degree College

Organized By: Department of Public Health Dentistry

Faculty involved: Dr.Y.Vijay kumar, Dr.M.Sushma Reddy, Dr.Surekha.V

Audience: Staff, interns and students

Attendance: 6 interns and 87 students

Description: The session was started with a welcome note by a committee member followed by the introduction of the topic "World Breast Feeding Week". The speaker began by talking about world breast feeding week and mentioned that it is celebrated every year to encourage breast feeding and improve the health of babies around the world and also health of the mothers too. Speaker added a note about the immunity that is provided to the babies by breast milk of mother. Increasing breast feeding to near universal levels could save more than 800000 lives every year. Breast feeding decreases risk of mothers developing breast cancer, ovarian cancer, type 2 diabetes and heart disease followed by a screening camp is done. The session was followed by discussion of speaker with the students attended.

Conclusion: The event is ended with memento presentation by our respected committee chair person and faculty members, followed by vote of thanks.

ACTIVITY REPORT

Name of the Activity: Role of Higher Education in Women Empowerment

Institution : MNR Dental College & Hospital

Resource person : Dr. Hema Gopalaiah

Faculty Involved : Dr. Mohammadi Begum, Dr Sushma, Dr.Rupa

Content Delivered: The challenges of the 21st century – from climate change to cyber-security – have significant scientific dimensions. The fields of science and technology, are viewed as drivers for human development, working towards poverty eradication and a better future for the planet. Women scientists around the globe are trying to work to tackle sustainable development and help spur innovation that allows for economic growth.

Description: Indian women play a major role in Knowledge Societies as leaders, addressing issues on creating and adapting information and ideas at an accelerating speed to support economical growth and improved quality of life in India addressing issues such as Equity, Quality, Relevance and Access, proving that Indian women with any background becomes a contributing member of society through learning. The Indian Government has introduced policies and procedures with the goal of sensitizing the higher education system, recognize gender equity and increasing the number of women enrolling for higher education. Higher education for women in India has witnessed an impressive growth over the years and the Government is pooling resources needed to promote female education at all levels.

The session was started with a very informative speech by a power point presentation done on the above mentioned topic by Dr. Sushma, who also spoke about various government organizations and schemes working to favor higher education in female students. The event got ended by a short interaction with students.

Audience : Students and staff

Attendance : 60

Conclusion : The event ended with students and staff interaction.

COMMITTEE FOR SEXUAL HARASSMENT ELIMINATION

ACTIVITY REPORT

Name of the Activity: "JUSTICE FOR DISHA"- A RALLY EVENT

Institution: MNR Dental College & Hospital

Resource person: Dr. Surekha, Dr. Sushma, Dr. Mohammadi Begum

Faculty Involved : Dr. Surekha, Dr. Sushma, Dr. Mohammadi Begum

Content Delivered: The staff and students of the MNR college of dental sciences took out a rally in support of JUSTICE TO DISHA which was flagged off from the college premises to Sangareddy mandal office.

Audience : Students and staff

Description: Rape is the fourth most common crime against women in India.

India has been characterised as one of the "countries with the lowest per capita rates of rape". Many rapes go unreported in various countries including India. The willingness to report rape has increased in recent years, after several incidents of rape received widespread media attention and triggered public protest. Most notably, the 2012 Delhi gang rape led the Government of India to reform its penal code for crimes of rape and sexual assault. The victim had pursued a degree in a veterinary college in Rajendranagar mandal. She was a resident of Shamshabad and was working as an assistant veterinarian at the state-run hospital at Kollur village.

According to the Telangana Police Department remand report, the victim had parked her scooter near Tondupally toll plaza, attracting the attention of the suspects, two lorry drivers and their assistants, who had been drinking whiskey before allegedly planning the crime

According to the remand report, on 27 November 2019 at around 6:15 p.m., after parking the scooter, the victim took a taxi to a dermatologist's office in Hyderabad. The suspects allegedly deflated her scooter's tire in her absence. After returning at around 9:15 p.m., she noticed the flat tyre and made a call to her sister. The accused told police they offered to help her, then ambushed her. Three of the suspects pushed her into bushes near the toll gate and turned off her phone. She continued screaming for help, so the men poured whiskey into her mouth in an attempt to silence her. The four men removed her clothes and took turns sexually assaulting her until she started bleeding and lost consciousness. When she regained consciousness, they smothered her, wrapped the corpse in a blanket, transported it in their truck 27 km to a location near the Shadnagar interchange on the Hyderabad Outer Ring road, and at approximately 2:30 a.m. burnt it under a bridge using diesel and petrol purchased for the purpose

Attendance : 100

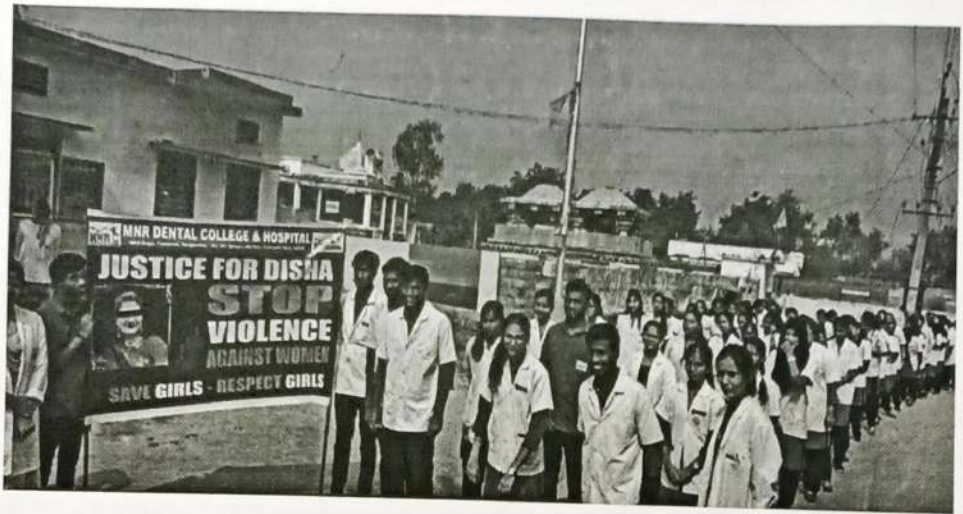

Conclusion : The event ended with a short speech by Dr. Sujatha (Principal) on the same topic.
