### Action Taken Report regarding Feedback on Curriculum 2018-2019

The feedback committee of MNR Dental College had conducted a survey for obtaining the annual feedback on curriculum. It is collected from various stakeholders of the college like students, teachers, employers, alumni, and professionals. The obtained feedback was summarised and analysed to draw up the results in the form of bar diagrams. An additional suggestions section was also added to the questionnaire.

The following are the observations from the feedback obtained :

- The students have requested to increase the field visits which would help them to gain more clinical knowledge.
- The staff have requested to start conducting faculty development programs.

#### **Action Taken:**

Regarding the above suggestions drawn from the feedback, a meeting was organised by the feedback committee of the institution. All the points were taken to the notice of the IQAC, the Principal and the Management. The following actions were taken.

- A circular was made instructing to organise more number of field visits/ camps which could be attended by the students during their internship to develop more clinical knowledge. This would also be helpful in their personality development by instilling a service oriented mindset.
- IQAC had taken initiation to conduct faculty development programs regarding resource planning, clinical trials, biomedical & health research which would help staff gain a research attitude.
