Before joining dentistry as career, we generally have no idea of the difficulties that students are going to face. Most of the students do this mistake of thinking that doing BDS ensures a smooth career with easy and high returns. By the time they finish internship this dream breaks and we come face to face with the stark and hard reality. Every thing becomes no more as rosy as the students think. Students consult a careers coach when they have a career dilemma. This usually means that they want help for becoming clearer about their abilities, Skills , Interests, Values etc. One such Career counselling session was organized by MNR Dental College on 19-4-2022 by Invodent Online Educational consultancy Chairman Dr Venkata Mounika Madisa who is a passionate and interactive mentor with astounding subjective brilliance and clinical excellence in the field of dentistry. She has shared her experience ,Expertise and knowledge with the young Budding aspirants of NEET-MDS And INICET she has established INVODENT – An all-in-one online comprehensive learning platform with a brand-new integrated curriculum for aiming top scores in all Dental Eligibility & Entrance Exams visioned to lead the ambitious dentistry aspirants to acheive their dreams. Dr. Mounika has taught students importance of pedagogy teaching module and that they follow exclusively designed programme for interns as well as students. The Programme concluded by a vote of thanks by Dr.Ramesh
