Before joining dentistry as career, we generally have no idea of the difficulties that students are going to face. Most of the students do this mistake of thinking that doing BDS ensures a smooth career with easy and high returns. By the time they finish internship this dream breaks and we come face to face with the stark and hard reality. Every thing becomes no more as rosy as the students think. Students consult a careers coach when they have a career dilemma. This usually means that they want help for becoming clearer about their abilities, Skills , Interests, Values etc. One such Career counselling session was organized by MNR Dental College on 19-4-2022 by Invodent Online Educational consultancy Chairman Dr Venkata Mounika Madisa who is a passionate and interactive mentor with astounding subjective brilliance and clinical excellence in the field of dentistry. She has shared her experience ,Expertise and knowledge with the young Budding aspirants of NEET-MDS And INICET she has established INVODENT – An all-in-one online comprehensive learning platform with a brand-new integrated curriculum for aiming top scores in all Dental Eligibility & Entrance Exams visioned to lead the ambitious dentistry aspirants to acheive their dreams. Dr. Mounika has taught students importance of pedagogy teaching module and that they follow exclusively designed programme for interns as well as students. The Programme concluded by a vote of thanks by Dr.Ramesh

## ACTIVITY REPORT

**NAME OF THE ACTIVITY:** Career Opportunities in Clinical Research-12/2/2022

**SPEAKER:** Dr. Mitesh Reddy

**FACULTY INCLUDED :** Principal, faculties from all departments, Postgraduates, interns, final year BDS students

On February 12, 2022, MNR DENTAL COLLEGE AND HOSPITAL hosted a highly informative and engaging event on "Career Opportunities in Clinical Research" for final year students. The event featured Mr. Mujeebuddin, a seasoned expert in the field of clinical research, who shared valuable insights and guidance with the attendees.

### **DESCRIPTION:**

Mr. Mujeebuddin initiated the event by providing a comprehensive overview of clinical research, emphasizing its critical role in healthcare and its potential for dentists. He discussed the essential skills and qualifications required to excel in the field, emphasizing the importance of a strong foundation in dental sciences. The students gained a deep understanding of the diverse career pathways available in clinical research for dentists, including roles in clinical trials, regulatory affairs, data analysis, and more. The speaker shared real-world experiences and case studies, allowing students to connect theory with practice and gain a practical understanding of clinical research.

### **Conclusion:**

The event on "Career Opportunities in Clinical Research" by Mr. Mujeebuddin was a resounding success, providing final year students with valuable information and inspiration for their future careers. It showcased the potential for dentists to make a significant impact in the world of clinical research.

We extend our heartfelt thanks to Mr. Mujeebuddin for his insightful presentation and to all the students who participated enthusiastically
