## HERBAL GARDEN ACTIVITY REPORT

Date: 19/11/2021

Time: 11:30 am - 1:30 pm

Location: Herbal Garden, MNR College of Homeopathic Medical College

Audience: post graduates, under graduates, staff

Co-ordinator:

Dr. Maria Divya, Associate Professor

Dr. Pavithram Perumalla, Assistant Professor

Department of Homeopathic Pharmacy

### Description of course:

Herbal Garden was established to teach students about the evaluation and extraction of drugs obtained from plant source. There are many advantages for the establishment of herbal garden such as it is a ready fresh natural resource available for ingredients medicinally. Herbal gardens are the precious source of raw material for medicinal remedies used in primary health care. The herbal garden generally consists of all the herbs which have medicinal and aromatic properties. Due to increasing demand for herbal products to cure different diseases medicinal and aromatic plants are becoming increasingly economically important.

The Herbal Garden at MNR College of Homeopathy has a wide variety of medicinal plants. The post graduate and under graduate students of MNR Dental College were shown the

various plants in the herbal garden. The students were explained about the benefits of plant extracts and uses of the various species of plants grown in the garden. The students were explained on the use of secondary metabolites of plants used for therapeutic purpose. This alternative medicine uses herbs to provide the least side effects and high efficiency and hence used for improvement of oral health and dental hygiene.

Attendance: 101

**Conclusion:** The program gave an understanding of herbs application in primary health care related to dentistry.
