ANNUAL e-GOVERNANCE REPORT FOR AY 2021-22

The principal is pleased to present the following annual e-governance report of MNR dental college and hospital for the academic year 2021-22. The institution has implemented e-governance in the following areas of operation.

1. administration
2. academics
3. finance and accounts
4. student admission & examination

the details of the above are as follows

E-GOVERNANCE IN ADMINISTRATION

- college website is used for hosting information and notices from time to time related administration and students. The website acts as a ready source of information reflecting all MNRDCH activities, important notices, courses offered etc. for this purpose an exclusive, web designer has been appointed by the MNRDCH. A website committee has been formed for the administration of the college website and updates the website on regular basis including live notifications.
- All Hospital related activities are automated with CIFT DENTO Software.
- Attendance is being captured by Biometric device located in the college office.

- Teaching and non-Teaching staff administration is managed through KEKA Attendance management software. It provides record for attendance, It generates monthly and annual reports

E-GOVERNANCE IN ACADEMICS

- Student academic activities including attendance, class schedules, e-resources and internal assessments marks are managed through Campus Medicine software.

E-GOVERNANCE IN FINANCE & ACCOUNTS

- For ease of maintaining accounts and fee collection, receipts information is managed by Tally Software.
- KEKA software provides record for attendance, and in conjunction with Tally software used for pay roll and Salary disbursal services.

E-GOVERNANCE IN STUDENT ADMISSION & EXAMINATION SUPPORT

- For student admissions we are using university website TCS Ion Self Service. The admission details including student admit year, branch, register number and category of the admission are uploaded in KNR university website TCS Ion Self Service.
- For internal examinations we are using campus medicine software and for university exams tcs ion software.
