INSTITUTE DISTINCTIVENESS

MNR DENTAL COLLEGE AND HOSPITAL is a Haven of Excellence in a Remote Area, Nestled amidst lush greenery and serene surroundings, our College is an anchorage of excellence for students seeking quality education in dentistry. Located in a remote area, the college stands out from its peers with its perfect blend of modern amenities and traditional values.

Best Teacher & Researcher Award for Faculty

MNR family firmly believe that the success of our students is directly linked to the exceptional education provided by our faculty. To recognize their hard work and dedication, we present the Best Teacher & Researcher Award annually.

Green Campus with Galore of Trees

Our campus is a sprawling green oasis that harmoniously combines nature with modern facilities. With an abundance of trees and greenery, it offers a refreshing escape from the concrete jungles of most colleges. The lush surroundings create a serene environment that fosters concentration, allowing students to excel in their chosen field.

Location of the College

MNRDCH is located distinctively in a small village. Location of the institute contributing to community service.

Study Hours

For consistent study periods to maintain focus and productivity, the hostel students will have Fixed Study Time from 5pm to 8pm which will be supervised by the expert dental faculty for better interactive learning of most challenging subjects during that time.

Incentives to Motivate Staff

We firmly believe that a motivated staff is essential for the success of our institution. By prioritizing the well-being and growth of our staff, the institute offer various incentives and benefits that foster a positive work environment.

VIDYANIDHI

MNR Institute has innovatively adopted the VIDYANIDHI program in which the students and staff presents with the latest **trends in dentistry** with the motto of Share, Learn & Grow

Uniform For Student

we believe that discipline is key to success. To in still discipline among our students, we have a strict dress code that requires them to wear uniforms. The uniform not only helps inculcate discipline but also fosters a sense of belonging among students.

Merit Awards for Outstanding Students

We firmly believe that every student possesses the potential to excel in their chosen field. To encourage and recognize outstanding academic achievements, we present merit awards to deserving students. These accolades exemplify our commitment to providing quality education and nurturing.

E-Learning for Enhanced Learning for students

In this digital age, e-learning has become an integral part of education. To remain at the forefront of educational advancements, we have established an e-learning through MNR LMS facility that provides students with online resources to enhance their learning experience.
