

MNR DENTAL COLLEGE AND HOSPITAL SANGAREDDY

Student satisfaction survey report – 2016-17

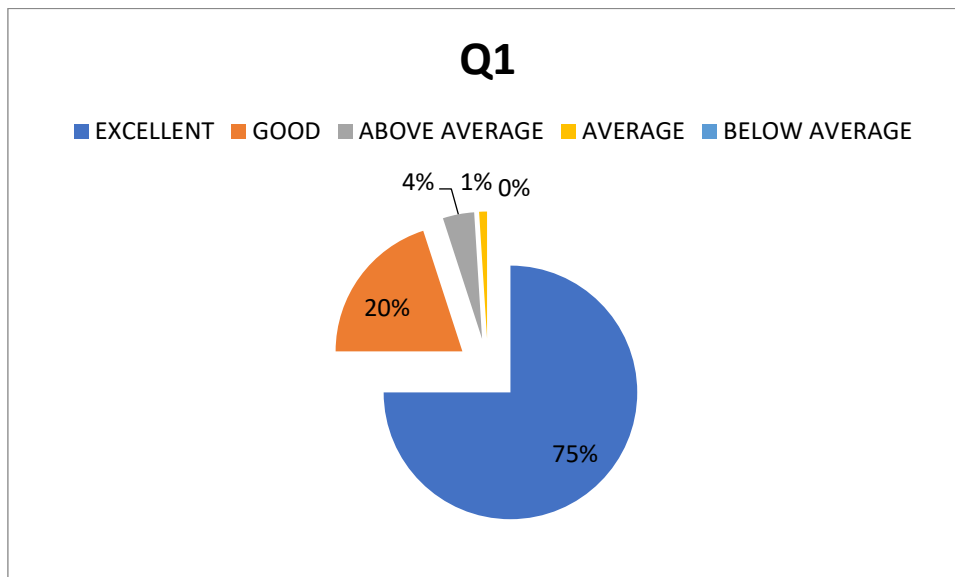

A Student satisfaction survey regarding the whole teaching and learning process, campus life and infrastructure was conducted which helps to upgrade the quality in higher education. As a part of survey a questionnaire was framed regarding various aspects of teaching, learning and infrastructure. This questionnaire form was distributed among all the students to record the responses and results were drawn.

Result of the survey:
